STUDENT ACHIEVEMENTS

'ECO-CIVIC' team, comprising Lucky, Parul, Priyanka, Sunil, Mukesh and Reetika, was selected for their outstanding performance in the National Smart India Hackathon 2023 held in December.

MESSAGE BY DR. LALIT GOEL, OIC, PG SECTION, CE

As we close another semester, I am inspired by our collective achievements and the challenges we have faced with our resilience and teamwork. Each of us plays a vital role in our department's success, and I have no doubt with our shared vision, determination and ingenuity. Looking ahead, we are poised for significant projects and initiatives that promise to enhance our reputation and impact. I encourage everyone to remain engaged and share ideas as we move ahead. Let's continue to aim high, embrace innovation and work collaboratively.
