*Dear Alumnus*

Greetings!!!

For many years, we have wanted to celebrate the glorious family to which we all belong and what better way than to do so with you, our wonderful alumni.

We here at JNGEC are delighted to announce that the institute is organizing alumni meet for the **second time on Friday, 07<sup>th</sup> October 2016**, in the college premises. We cordially invite our alumni to grace this event; we are also having "DECIBEL-2016" a Technical fest of JNGEC on the same day.

We request you to download the registration form from college website and once you have filled it, do mail it to [alumni@jngec@gmail.com](mailto:alumni@jngec@gmail.com). You are requested to do this before 4<sup>th</sup> October 2016. (ONSPOT Registration is also possible, the fee is Rs.500/-).

We need your presence and your enthusiasm to make this event a great success.  
**Do spread the word to all you know from JNGEC.**
