In the morning at 10:00 AM the NSS volunteers were guided and made aware about the details of Unnat Bharat Abhiyan (UBA) through presentation by the UBA Coordinator Mr. Ankit Sharma. Some of the highlights of the presentation are.

1. The vision of UBA is to involve the institutions to achieve the development of self-sufficient and sustainable village clusters.
2. Under UBA five villages are adopted by Jawahar Lal Nehru Govt. Engg College namely, Chamukha, Kapahi, Thathar, Thala and Der Du.
3. Various details of household survey were demonstrated with examples.
4. Students were advised to remain polite with the villagers during the survey.
5. Students were also advised to left any column unfilled or not applicable in the household survey if any person refuses to provide the details.

Around 10:45 am students boarded the college bus HP 31 7958 and reached Panchayat Bhawan of Chamukha village. The faculty members interacted with the Chamukha Pradhan Smt. Kaushalya Devi and Joint Secretary. They provided the data about the village after which household survey was collected from individual houses. Volunteers were divided in to 10 groups (each group consisting of 3 volunteers) to go along with the faculties in order to communicate with local people effectively and politely. In the morning session till 1:45 PM survey were taken from 30 households.

Photographs of the students while conducting surveys in Chamukha village are shown in figure 1 & figure 2.

After conducting the survey in the Chamukha village volunteers were given refreshments and later around 2:00 pm they were taken to Thala Village in the college bus.

After reaching Thala village volunteers were directed to complete the surveys of as many houses as possible till 3:15 pm. The villagers were very interactive and all ready to lessen their burden. The over whelming response from the villagers motivated the volunteers to do something for these people. Surveys were collected from 20 villagers in the Thala village.

Here are some of the glimpses of students while conducting surveys in Thala village.

After completing the surveys 30 volunteers along with the faculty members returned to college campus around 3:30 pm.

We are happy to acknowledge that we have satisfactorily conducted this activity and convey our thanks to the Director-Principal JNGEC Sundernagar with whose guidance this programme could be a great success.
