

TEACHERS DAY CELEBRATION

"Teachers are the torch bearers of the Gen-next"

'Most of us end up in no more than five or six people who remember us. Teachers have thousands of people who remember them for rest of their lives.'

This quote captures the immense reach of influence of teachers and profound impact of their actions in our lives.

Teachers are like guiding lights that help their pupil to navigate the road of life with their knowledge and support.

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings.

It is impossible to imagine our lives without teachers. They are the cornerstone of our future. We can never thank teachers enough for their immense contribution in a student's life. Teacher's Day is celebrated to show our acknowledgement and recognition of the hard work put in by our teachers towards our development.

Students always look forward to Teacher's Day with a lot of anticipation, for the sheer spirit of the occasion. Acting as teachers, they get a fair idea of the responsibility, so efficiently handled by their teachers.

It requires a lot of hard work and dedication to be a good teacher and earn the affection of students at the same time. Teachers, on this day, are reminded of their college days and feel nostalgic. All in all, it was celebration mode for everyone!

The event was successfully organized by the students of ECE with a large number of student and faculty participation.
